

Promotional Guidelines

2026 Agent Advancement Requirements

LEVEL
1

Prodigy Agent

Brand new agents are placed into a probationary 90-day evaluation period. Coded to Supervising Agents. Prodigy agents should be focused on becoming familiar with agency processes and maintaining consistent production.

REQUIREMENTS TO MAINTAIN CONTRACT

- ▶ Write \$3,000 Life Premium for 4 consecutive weeks within 90 days
- ▶ Demonstrate familiarity with agency systems and processes
- ▶ Consistent production & coachability required for promotion

LEVEL
2

Brokerage Agent (BA)

BA's should be focused on mastering the art of production and becoming quality agents. They are unable to have agents coded to them but are credited with the team production of anyone they hire into the agency.

REQUIREMENTS TO ADVANCE

- ▶ **\$5,000/week** in issued paid production
- ▶ Business must be NET with persistency above 70% for all carriers
- ▶ High level of coachability, growth, & integrity

LEVEL
3

Supervising Agent (SA)

The SA category holds the top producers and trainers of the organization. This is the first level of management having both Prodigy Agents and Brokerage Agents coded to them.

REQUIREMENTS TO ADVANCE

- ▶ **\$7,500/week** in issued paid production for **3 months straight**
- ▶ **\$100,000/month** in hierarchy production
- ▶ 10 active hires hitting BA requirements for promotion
- ▶ Approval from Management into Leadership is required
- ▶ High level of leadership, coachability, growth, & integrity
- ▶ Persistency above 75% for all of hierarchy

SA2 is received after the active promotion of 2 SA teams

LEVEL
4

General Agent (GA)

GA's manage agency trainers and the development of new agents. A GA's focus should be on the promotion of the business and the onboarding of agency hires.

REQUIREMENTS TO ADVANCE

- ▶ **\$250,000/month** Total Hierarchy Issue Paid for **3 months straight**
- ▶ 6 SA teams directly coded hitting requirements
- ▶ Approval from Management into Leadership is required
- ▶ Persistency above 80% for hierarchy

LEVEL
5

Managing General Agent (MGA)

MGAs are the top leaders of the organization regulating and enforcing systems and processes within the agency — from hiring, onboarding, training, agent development, manager training, team meetings, agent promotion, and agency guidelines.

REQUIREMENTS TO ADVANCE

- ▶ **2.5 Million/month** Total Hierarchy Issue Paid for **6 months straight**
- ▶ Have 5 GA teams directly coded hitting full requirements
- ▶ Approval from Management into Leadership is required
- ▶ Persistency above 80% for full hierarchy

LEVEL
6

Junior Partner (JP)

Junior Partners are beginning to build high-end carrier relationships and manage agency systems. They have a large role in implementing systems and processes into the business and represent the agency brand.

REQUIREMENTS TO ADVANCE

- ▶ **7 Million/month** Total Hierarchy Issue Paid for **6 months straight**
- ▶ Partnership Approval & Induction
- ▶ Active Agency Branding & Franchise Development
- ▶ 3 MGA teams directly coded hitting full requirements

LEVEL
7

Senior Partner (SP)

Senior Partners represent the agency at the highest level and maintain full production requirements. Partners are builders within the brand and must be able to grow the agency.

REQUIREMENTS TO ADVANCE

- ▶ **12 Million/month** Net Submit of Issue Paid business for **1 year straight**
- ▶ 4 Active MGA deals hitting full requirements
- ▶ Approval from Management into Leadership is required
- ▶ Active Branding & Active Agency Growth + Partner Recommendation
- ▶ Persistency above 80% for full hierarchy

LEVEL
8

Acquired Partner (AP)

Acquired Partnership allows you to partner your deal with the largest leaders in the industry. This gives you an immediate cash infusion to help grow your business and become direct partners with larger Insurtech players.

REQUIREMENTS TO ADVANCE

- ▶ **100 Million** Total Hierarchy Issue Paid (Annual Production)
- ▶ Positive Carrier Relationships & Partner Approval
- ▶ 36 months tenure in business with stable hierarchy
- ▶ Evaluation from Acquisition Team
- ▶ Carrier Production Requirements Met: 20 Million/month spread

Carrier production requirements vary — typically 1–10 million+ per active carrier annually

LEVEL
9

Insurance Company (IC)

The ability to receive access to special products and unique carrier partnerships is the highest level of the insurance game. As a distributor of the industry, your ability to create, market and distribute your own individualized product line is powerful and profitable.

REQUIREMENTS

- ▶ Liquid Assets & Payables
- ▶ Ability to shift \$100 million+ to one carrier
- ▶ Full Admin Staff for distribution and compliance
- ▶ Large Internal Sales Force (Ideal 10,000 Captive or 25,000 Brokers)
- ▶ Marketing Platform to distribute products
- ▶ Industry Sector; Carved Out Niche
